**Hertie School**

“Frontiers in Quantitative Migration Research” is an interdisciplinary research seminar jointly organized by the Berlin Institute for Integration and Migration Research (BIM) at Humboldt University and the Hertie School. We gather an international scientific audience of colleagues from economics, sociology, demographics and related disciplines to present and discuss innovative research on migration and integration.

The weekly virtual seminar will be held on Thursdays at 12 p.m. noon (in English) and dedicates 30 minutes of presentation time for the speaker, and 30 minutes for discussion and questions from the audience. You can **join the seminar through [this Zoom link](#)** (see below for additional dial in options).

To **receive program updates and reminders** for upcoming presentations, please send an e-mail with the **subject “Frontiers Registration”** to **[wolf.farkas@hu-berlin.de](mailto:wolf.farkas@hu-berlin.de)**.

*Organizers: Herbert Brücker, Christian Hunkler, Michaela Kreyenfeld and Sulin Sardoschau*
